

MEGA Expo Electrical Order Form (“TENT” Booths Only)

Booths can be supplied with 110-120 volt power. Each line will be a 10 amp duplex plug. We will assume that you will be using the power for display lights, computers and printers, etc. You will need to supply your own drop cords to go from the duplex outlets.

If you have power needs that are out of the “normal” needs for a trade show booth, please indicate below. We can also supply 220 volt power, but we need to know that in advance, and there may be an additional charge.

- Return this form by September 6 if you need power to your booth. Mail this form with your check to NIEC, 2840 South 70th Street, Suite 7-272, Lincoln, NE 68144 or fax this form with your credit card information to 402-483-4481.

Company _____ Booth # _____

Contact Person _____

ORDER BY SEPTEMBER 10: ____ Number of hookups @ \$50.00

PLEASE NOTE: We will not be able to add power to your booth(s) during show setup. You must order by September 10.

Please let us know if you have any unusual needs or need 220 volts:
